Universitaet Bremen,
Germany

Prof. Chin-Chen Chang,
Feng Chia University, Taiwan

Prof. Chuan Qin
University of Shanghai for
Science and Technology,
China

Call for papers

Big Data Foundations

Foundational theoretical or computational models for big data
Programming models, theories, and algorithms for big data
Standards, protocols, and quality assurance for big data

Big Data Platforms and Technologies

Innovative, concurrent, and scalable big data platforms
Data indexing, cleaning, transformation, and curation technologies...

Big Data Analytics and Services

Algorithms and systems for big data search, analytics and visualization
Artificial Intelligence for big data and based on big data...

Big Data Applications and Experiences

Innovative big data applications and services in industries and domains
healthcare, finance, insurance, transportation, agriculture, education,
environment, multi-media, social networks,

Intelligent Computing Methodologies and Applications Evolutionary

Computing and Learning
Genetic Algorithms
Swarm Intelligence and Optimization...

Important Dates

Submission	Deadline: August 20, 2020
Notification of Acceptance:	September 10, 2020
Registration	Deadline: September 30, 2020
Conference	Date: December 3~5, 2020
