

# 2019 International Conference on Big-data Service and Intelligent Computation

Oct. 18-20 in Wuhan, China

- BDSIC 2019 aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in Big-data Service and Intelligent Computation.
- Welcome scholars and researchers working in the field of Big-data Service and Intelligent Computation from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.
- Accepted papers will be published together with the main conference in the International Conference Proceedings, which will be indexed by Ei Compendex and submitted to be reviewed by Scopus and Thomson Reuters Conference Proceedings Citation Index.
